We collected them all and made walls of walls and impressive pans of Yehuda Berg with these quotes. This is a fabulous book that must read everything. ... more, I love all the books of Yehuda Berg, they challenge me to think in a totally new way and to live a better life - Kabballah is something I need to study more. I was going through a routine with the Cathalic-Christian religious message £. Yehuda teaches us how these choices affect us, our communities and the world in general. By pointing out how we personally have the ability to change our own faults and vain and reactions ... this is one of the most powerful books I have read.
